### FRES~COAT<sup>™</sup> OF PREMIUM PAINT

#### FRES~COAT TROUBLESHOOTER<sup>®</sup> FAST DRYING

**\$33.80 / Gal**

Item# 22700

This unique exterior primer provides superior performances as a base coat for all latex and oil base house paint. It is formulated for maximum breathability and resists tannin and sugar bleed staining from most exterior woods including pressboard siding and rust stains from nail heads. It dries in 4-6 hours for quick re-coat.

#### 2010 100% ACRYLIC LATEX EXTERIOR

Item #'s 400xx, 401xx, 402xx  
Custom Colors Add \$3.00

The #1 Rated 2010 Exterior 100% acrylic latex house paint, is the first of its kind with innovative acrylic technology that offers unsurpassed performance. It offers true one coat hiding - covers black in one coat. It provides flawless durability, stain resistance, maximum sealing, superlative adhesion, breathability, flexibility and exceptional color retention. 2010 is easily applied to virtually any exterior surface including wood, stucco and aluminum or vinyl siding. Environmentally-friendly 2010 is formulated to withstand the toughest weather conditions and maintain an impeccable finish for many years.
